1. This option is exercisable in 25% increments on each of December 31, 2011, 2012, 2013 and 2014. The exercisability of this option would be accelerated upon a change of control of the Company. 2. Represents stock units granted to the reporting person under the Company's Deferred Compensation Plan. Each stock unit represents a right to receive one share of the Company's common stock or, at the election of the plan administrator, cash with an equivalent value, upon vesting. The stock units vest in four equal annual installments beginning on January 1, 2012. The vesting of the stock units would be accelerated upon a change of control of the Company.
