On February 11, 2014, Affiliated Managers Group, Inc. (the "Company") completed the issuance and sale of \$400.0 million aggregate principal amount of 4.250% Senior Notes due 2024 (the "Notes"). The Notes were issued pursuant to an Indenture dated February 11, 2014 between the Company and U.S. Bank National Association (the "Trustee") (the "Base Indenture"), as supplemented by the Supplemental Indenture, dated as of February 11, 2014, between the Company and the Trustee (the "Supplemental Indenture," and together with the Base Indenture, the "Indenture"). The Notes were issued through an underwriting agreement (the "Underwriting Agreement") among the Company and Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, as representatives of the several underwriters named in Schedule I thereto, dated February 6, 2014.

The Notes, which are unsecured obligations of the Company, will mature in 2024 and will bear interest at the rate of 4.250% per year, with interest payable on February 15 and August 15 of each year, beginning on August 15, 2014. The Company may redeem the Notes at any time, in whole or in part, at a make-whole redemption price plus accrued and unpaid interest. In addition to customary event of default provisions, the Indenture limits the Company's ability to consolidate, merge or sell all or substantially all of its assets, and to create certain liens.

The Notes were registered pursuant to a registration statement on Form S-3 (No. 333-190402). The Company is filing the Underwriting Agreement, the Base Indenture, the Supplemental Indenture and the opinion of Ropes & Gray LLP relating to the validity of the Notes as exhibits to this filing.

Ladies and Gentlemen:

Affiliated Managers Group, Inc., a Delaware corporation (the “Company”), proposes to issue and sell to the several underwriters listed in Schedule I hereto (the “Underwriters”), for whom you are acting as representatives (the “Representatives”), \$400,000,000 aggregate principal amount of its 4.250% Senior Notes due 2024 (the “Securities”). The Securities will be issued pursuant to a base indenture dated as of February 11, 2014, as supplemented by the Supplemental Indenture to be dated as of February 11, 2014 (collectively, the “Indenture”), each between the Company and U.S. Bank National Association, as trustee (the “Trustee”).

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

Section 1. Registration Statement. The Company has prepared and filed with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Securities Act”), an “automatic shelf registration statement,” as defined in Rule 405 under the Securities Act, on Form S-3 (File No. 333-190402), including a prospectus, to be used in connection with the public offering and sale of the Securities, which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (the “Exchange Act”). Such registration statement, as it may have heretofore been amended, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness (“Rule 430 Information”), is referred to herein as the “Registration Statement”; and as used herein, the term “Preliminary Prospectus” means each

prospectus included in such registration statement (and any amendments thereto) at the time it became effective and the prospectus included in the Registration Statement at its most recent effective date that omits Rule 430 Information, and the term “Prospectus” means the prospectus in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with confirmation of sales of the Securities. Any reference in this Agreement to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, as of the effective date of the Registration Statement or the date of such Preliminary Prospectus or the Prospectus, as the case may be and any reference to “amend”, “amendment” or “supplement” with respect to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the Exchange Act that are deemed to be incorporated by reference therein. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Registration Statement and the Prospectus.

At or prior to the time when sales of the Securities were first made (the “Time of Sale”), the Company had prepared the following information (collectively, the “Time of Sale Information”), a Preliminary Prospectus dated February 6, 2014, and each “free-writing prospectus” (as defined pursuant to Rule 405 under the Securities Act) listed on Annex B hereto as constituting part of the Time of Sale Information.

Section 2. Purchase of the Securities by the Underwriters. The Company agrees to issue and sell the Securities to the several Underwriters as provided in this Agreement, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company the respective principal amount of Securities set forth opposite such

Underwriter's name in Schedule I hereto at a price equal to 98.481% of the principal amount thereof (\$393,924,000 purchase price in respect of \$400,000,000 aggregate principal amount), plus accrued interest, if any, from February 6, 2014 to the Time of Delivery (as defined below) (the "Purchase Price").

The Company understands that the Underwriters intend to make a public offering of the Securities as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Securities on the terms set forth in the Prospectus. The Company acknowledges and agrees that the Underwriters may offer and sell Securities to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Securities purchased by it to or through any Underwriter. The Company will not be obligated to deliver any of the Securities except upon payment for all the Securities to be purchased as provided herein.

(a) Payment for and delivery with respect to the Securities will be made at the offices of Cleary Gottlieb Steen & Hamilton LLP, One Liberty Plaza, New York, NY 10006 at 10:00 A.M., New York City time, on February 11, 2014, or at such other time or place on the same or such other date, not later than the third business day thereafter, as the Representatives and the Company may agree upon in writing, or such other time and date as the Representatives and the Company may agree upon in writing. The time and date of payment and delivery for the Securities is referred to herein as the "Time of Delivery."

(b) Payment for the Securities shall be made by wire transfer in immediately available funds to the account(s) specified by the Company to the Representatives against delivery to the nominee of The Depository Trust Company, for the account of the Underwriters, of one or more global notes representing the Securities (collectively, the "Global Note"), with any transfer taxes payable in connection with the sale of the Securities duly paid by the Company. The Global Note will be made available for inspection by the

2

Representatives not later than 1:00 P.M., New York City time, on the business day prior to the Time of Delivery.

(c) The Company acknowledges and agrees that the Underwriters are acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of the Securities contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other person. Additionally, neither the Representatives nor any other Underwriter is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company with respect thereto. Any review by the Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

Section 3. Representations and Warranties of the Company. The Company represents and warrants to each Underwriter that:

(a) Preliminary Prospectus. No order preventing or suspending the use of any Preliminary Prospectus has been issued by the Commission, and each Preliminary Prospectus, at the time of filing thereof, complied in all material respects with the Securities Act and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation and warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in any Preliminary Prospectus.

(b) Time of Sale Information. The Time of Sale Information, at the Time of Sale did not, and at the Time of Delivery will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation and warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in such Time of Sale Information. No statement of material fact included in the Prospectus was omitted from the Time of Sale Information if such statement of material fact would have been necessary to make the statements in the Time of Sale Information, in light of the circumstances under which they were made, not misleading, and no statement of material fact included in the Time of Sale Information that is required to be included in the Prospectus has been omitted therefrom.

(c) Issuer Free Writing Prospectus. The Company (including its agents and representatives, other than the Underwriters in their capacity as such) has not prepared, made, used, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any "written communication" (as defined in Rule 405 under the Securities Act) that constitutes an offer to sell or solicitation of an offer to buy the Securities (each such communication by the Company or its agents and representatives (other than a communication referred to in clauses (i) (ii) and (iii) below) an "Issuer Free Writing Prospectus") other than (i) any document not constituting a prospectus pursuant to Section 2(a)(10)(a) of the Securities Act or Rule 134 under the Securities Act, (ii) the Preliminary Prospectus, (iii) the Prospectus, (iv) the documents listed on Annex B hereto as constituting the Time of Sale Information and (v) any electronic road show or other written communications, in each case approved in writing in advance by the Representatives. Each such

3

Issuer Free Writing Prospectus complied in all material respects with the Securities Act, has been or will be (within the time period specified in Rule 433 under the Securities Act) filed in accordance with the Securities Act (to the extent required thereby) and, when taken together with the Preliminary Prospectus accompanying, or delivered prior to delivery of, or filed prior to the first use of such Issuer Free Writing Prospectus, did not, and at the Time of Delivery, will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation and warranty with respect to any statements or omissions made in each such Issuer Free Writing Prospectus in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in any Issuer Free Writing Prospectus.

(d) Registration Statement and Prospectus. The Registration Statement is an "automatic shelf registration statement" as defined in Rule 405 under the Securities Act that has been filed with the Commission not earlier than three years prior to the date hereof; and no notice of objection of the Commission to the use of such registration statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act has been received by the Company. No order suspending the effectiveness of the Registration Statement has been issued by the Commission and no proceeding for

that purpose or pursuant to Section 8A of the Securities Act against the Company or related to the offering has been initiated or threatened by the Commission; as of the applicable effective date of the Registration Statement and any amendment thereto, the Registration Statement complied and will comply in all material respects with the Securities Act and the Trust Indenture Act of 1939, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Trust Indenture Act”), and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading; and as of the date of the Prospectus and any amendment or supplement thereto and as of the Time of Delivery, the Prospectus will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation and warranty with respect to (i) that part of the Registration Statement that constitutes the Statement of Eligibility and Qualification (Form T-1) of the Trustee under the Trust Indenture Act or (ii) any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement and the Prospectus and any amendment or supplement thereto.

(e) *Incorporated Documents.* Each document filed or to be filed pursuant to the Exchange Act and incorporated by reference in the Registration Statement, the Time of Sale Information or the Prospectus complied when it was filed, or will comply when it is filed, as the case may be, in all material respects with the Exchange Act and, when read together with the other information in the Registration Statement, the Time of Sale Information or the Prospectus, (a) at the Time of Sale and (b) at the Time of Delivery, each document filed and incorporated by reference will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(f) *Statements in the Registration Statement, the Time of Sale Information and the Prospectus.* The statements in the Registration Statement, the Time of Sale Information and the Prospectus under the heading “Certain Material United States Federal Income Tax Consequences” insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are accurate and fair summaries of such legal matters, agreements, documents or proceedings.

(h) *Authorization of the Indenture.* The Indenture has been duly authorized by the Company and duly qualified under the Trust Indenture Act and, when duly executed and delivered in accordance with its terms by each of the parties thereto, will constitute a valid and legally binding agreement of the Company enforceable against the Company in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors’ rights generally or by equitable principles relating to enforceability.

(i) *Authorization of the Securities.* The Securities have been duly authorized by the Company and, at the Time of Delivery, will have been duly executed by the Company and, when authenticated, issued and delivered in the manner provided for in the Indenture and delivered to the Underwriters against payment of the purchase price therefor as described in the Registration Statement, the Time of Sale Information and the Prospectus, will constitute valid and binding obligations of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors’ rights generally or by equitable principles relating to enforceability.

(q) *Absence of Defaults and Conflicts.* Neither the Company nor any of its subsidiaries is in violation of its charter or by-laws or other constituting or organizational document or in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its subsidiaries is a party, or by which it or any of them may be bound, or to which any of the property or assets of the Company or any subsidiary of the Company is subject (collectively, "Agreements and Instruments"), except for such defaults that would not result in a Material Adverse Effect; and the execution, delivery and performance of each of the Transaction Documents and any other agreement or instrument entered into or issued, or to be entered into or issued by, the Company in connection with the transactions contemplated hereby or thereby or in the Registration Statement, the Time of Sale Information and the Prospectus and the consummation of the transactions contemplated herein and in the Registration Statement, the Time of Sale Information and the Prospectus (including the issuance and sale of the Securities by the Company and the use of the proceeds by the Company from the sale of the Securities as described in the Registration Statement, the Time of Sale Information and the Prospectus under the caption "Use of Proceeds") and compliance by the Company with its obligations hereunder and thereunder, have been duly authorized by all necessary corporate action and do not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any subsidiary of the Company pursuant to, the Agreements and Instruments (except for such conflicts, breaches or defaults or liens, charges or encumbrances that would not result in a Material Adverse Effect), nor will such action result in any violation of the provisions of the charter or by-laws or other constituting or organizational instrument as in effect on the date hereof of the Company or any subsidiary of the Company or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any subsidiary of the Company or any of their assets, properties or operations, except for any such violation of any applicable law, statute, rule, regulation, judgment, order, writ or decree of law which would not result in a Material Adverse Effect. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any subsidiary of the Company.

7

(r) *Absence of Further Requirements.* No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company of its obligations hereunder or under the

Transaction Documents, in connection with the transactions contemplated thereby (including, without limitation, the offering, issuance or sale of the Securities hereunder, or the consummation of the transactions contemplated by the Transaction Documents) or for the due execution, delivery or performance of the Transaction Documents, except such as have been already obtained or as may be required under the Securities Act and the rules and regulations thereunder or state securities laws and except for the qualification of the Indenture under the Trust Indenture Act.

(s) *No Material Actions or Proceedings.* Except as disclosed in the Registration Statement, the Time of Sale Information and the Prospectus, there is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any subsidiary, which, singly or in the aggregate, would reasonably be expected to result in a Material Adverse Effect, or which would reasonably be expected to materially and adversely affect the consummation of the transactions contemplated in the Transaction Documents or the performance by the Company of its obligations hereunder or thereunder.

(t) *Accuracy of Exhibits.* All of the descriptions of contracts or other documents contained or incorporated by reference in the Registration Statement, the Time of Sale Information and the Prospectus are accurate and complete descriptions in all material respects of such contracts or other documents.

(u) *Possession of Licenses and Permits.* The Company and its subsidiaries possess such permits, licenses, approvals, consents and other authorizations (collectively, "Governmental Licenses") issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them; the Company and its subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except in any such case where the failure to so possess or to comply would not, singly or in the aggregate, have a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not have a Material Adverse Effect; and neither the Company nor any of its subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect.

(v) *Title to Properties.* The Company and its subsidiaries have good and marketable title to all real property owned by the Company and its subsidiaries and good title to all other properties owned by them, in each case, free and clear of all mortgages, pledges, liens, security interests, claims, restrictions or encumbrances of any kind except such as (a) are described in the Registration Statement, the Time of Sale Information and the Prospectus or (b) would not, singly or in the aggregate, result in a Material Adverse Effect; and all of the leases and subleases material to the business of the Company and its subsidiaries, considered as one enterprise, and under which the Company or any of its subsidiaries holds properties described in the Registration Statement, the Time of Sale Information and the Prospectus, are in full force and effect, and neither the Company nor any subsidiary of the Company has any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Company or any subsidiary of the Company under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Company or such subsidiary to the continued possession of the leased or subleased premises under any such lease or sublease.

(w) *No Investment Company.* Neither the Company nor any of its subsidiaries is, or, upon the issuance and sale by the Company of the Securities as herein contemplated and the application of the

proceeds therefrom as described in the Registration Statement, the Time of Sale Information and the Prospectus, will be, an "investment company" or an entity "controlled" by an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended, and the rules and regulations of the Commission thereunder (collectively, the "Investment Company Act").

(x) *Company Not an Investment Adviser.* The Company is not required to register as an "investment adviser" or as a "broker-dealer" within the Investment Advisers Act of 1940, as amended, and the rules and regulations of the Commission thereunder (collectively, the "Advisers Act") or the Exchange Act. The Company is not required to be registered, licensed or qualified as an investment adviser or broker-dealer under the laws requiring any such registration, licensing or qualification in any jurisdiction in which it or its subsidiaries conduct business. Each of the subsidiaries has been duly registered as an investment adviser under the Advisers Act, and has been duly registered as a broker-dealer under the Exchange Act, and each such registration is in full force and effect, in each case to the extent such registration is required and with such exceptions as would not reasonably be expected to have a Material Adverse Effect. Each of the subsidiaries is duly registered, licensed or qualified as an investment adviser and broker-dealer under state and local laws where such registration, licensing or qualification is required by such laws and is in compliance with all such laws requiring any such registration, licensing or qualification, in each case with such exceptions, individually or in the aggregate, as would not reasonably be expected to have a Material Adverse Effect.

(y) *Compliance with Laws.* Each subsidiary of the Company which is required to be registered as an investment adviser or broker-dealer is and has been in compliance with all applicable laws and governmental rules and regulations, as may be applicable to its investment advisory or broker-dealer business, except to the extent that such non-compliance would not reasonably be expected to result in a Material Adverse Effect and none of such subsidiaries is prohibited by any provision of the Advisers Act or the Investment Company Act from acting as an investment adviser. Each subsidiary of the Company which is required to be registered as a broker-dealer is a member in good standing of the Financial Industry Regulatory Authority ("FINRA"). No subsidiary of the Company which is required to be registered as an investment adviser or broker-dealer is in default with respect to any judgment, order, writ, injunction, decree, demand or assessment issued by any court or any foreign, federal, state, municipal or other governmental agency, board, commission, bureau, instrumentality or department, domestic or foreign, or by any self-regulatory authority relating to any aspect of its investment advisory or broker-dealer business, which would need to be disclosed pursuant to Rule 206(4)-4(b) under the Advisers Act, or which is reasonably likely to give rise to an affirmative answer to any of the questions in Item 11, Part 1 of the Form ADV of such registered investment adviser or which is reasonably likely to give rise to an affirmative answer to any of the questions in Item 7 of the Form BD of such broker-dealer.

(z) *Registration of Funds.* Each mutual fund of which a subsidiary of the Company serves as the investment advisor (a "Mutual Fund") has been since inception, is currently and will be immediately after consummation of the transactions contemplated herein, a duly registered investment company in compliance with the Investment Company Act, and the rules and regulations promulgated thereunder and duly registered or licensed, except where any failure to be duly registered, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. Since their initial offering, shares of each of the Mutual Funds have been duly qualified for sale under the securities laws of each jurisdiction in which they have been sold or offered for sale at such time or times during which such qualification was required, and, if not so qualified, the failure to so qualify would not reasonably be expected to have a Material Adverse Effect. The offering and sale of shares of each of the Mutual Funds have been registered under the Securities Act during such period or periods for which such registration is required; the related registration statement has become effective under the Securities Act; no stop order

failure to comply, misstatement or omission, as the case may be, would not result in a Material Adverse Effect, the registration statement of each Mutual Fund, together with the amendments and supplements thereto, under the Investment Company Act and the Securities Act has, at all times when such registration statement was effective, complied in all material respects with the requirements of the Investment Company Act and the Securities Act then in effect and neither such registration statement nor any amendments or supplements thereto contained, at the time and in light of the circumstances in which they were made, an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, at the time and in the light of the circumstances under which they were made, not misleading. All shares of each of the Mutual Funds were sold pursuant to an effective registration statement, or pursuant to a valid exemption from registration, and have been duly authorized and are validly issued, fully paid and non-assessable. Each of the Mutual Funds' investments has been made in accordance with its investment policies and restrictions set forth in its registration statement in effect at the time the investments were made and have been held in accordance with its respective investment policies and restrictions, to the extent applicable and in effect at the time such investments were held, except to the extent any failure to comply with such policies and restrictions, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(aa) *Investment Advisory Agreements.* The Company is not party to any investment advisory agreement or distribution agreement and is not serving or acting as an investment adviser to any person. Each of the investment advisory agreements to which any of its subsidiaries is a party is a legal and valid obligation of such subsidiary and complies with the applicable requirements of the Advisers Act and the rules and regulations of the Commission thereunder, except where the failure to so comply would not, individually or in the aggregate, be expected to have a Material Adverse Effect. Each of the investment advisory agreements and distribution agreements between a subsidiary of the Company and a Mutual Fund is a legal and valid obligation of such subsidiary and complies with the applicable requirements of the Investment Company Act, and in the case of such distribution agreements, with the applicable requirements of the Exchange Act, except where the failure to so comply would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No investment advisory agreement or distribution agreement to which any of the subsidiaries is a party that was either in effect on January 1, 2010 or entered into by a subsidiary of the Company since January 1, 2010 has been terminated or expired, except where any such termination or expiration would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. None of such subsidiaries is in breach or violation of or in default under any such investment advisory agreement or distribution agreement, with such exceptions individually or in the aggregate as would not reasonably be expected to have a Material Adverse Effect. No subsidiary of the Company is serving or acting as an investment adviser to any person except pursuant to an agreement to which such subsidiary is a party and which is in full force and effect, other than any agreement the non-existence of which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The consummation of the transaction contemplated herein will not constitute an "assignment" as such term is defined in the Advisers Act and the Exchange Act.

(bb) *Internal Control over Financial Reporting.* The Company maintains a system of internal control over financial reporting (as such term is defined in Rule 13a -15(f) under the Exchange Act) that complies with the requirements of the Exchange Act and has been designed by the Company's principal executive officer and principal financial officer, or under their supervision, to provide reasonable assurance regarding the reliability of financial reporting, the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and the interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement. The Company's internal control over financial reporting is effective and the Company is not aware of any material weaknesses in its internal control over financial reporting. Since the date of the latest audited financial statements included or incorporated by reference in the Registration Statement, the Time of Sale Information and the Prospectus, there has been no change in the Company's internal control over financial

reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(cc) *eXtensible Business Reporting Language.* The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement fairly presents the information called for in all material respects and has been prepared in accordance with the Commission's rules and guidelines applicable thereto.

(dd) *Disclosure Controls and Procedures.* The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act) that comply with the requirements of the Exchange Act; such disclosure controls and procedures have been designed to ensure that material information relating to the Company and its subsidiaries is made known to the Company's principal executive officer and principal financial officer by others within those entities; and such disclosure controls and procedures are effective.

(ee) *No Price Stabilization or Manipulation.* The Company has not taken, and will not take, directly or indirectly, any action designed to or that might be reasonably expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(ff) *Brokers.* There is no broker, finder or other party that is entitled to receive from the Company any brokerage or finder's fee or other fee or commission as a result of any transactions contemplated by this Agreement.

(gg) *No Unlawful Payments.* Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee or other person associated with or acting on behalf of the Company or any of its subsidiaries has (i) used any corporate funds of the Company or any of its subsidiaries for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds of the Company or any of its subsidiaries; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977 relating to activities of the Company or any of its subsidiaries; or (iv) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment on behalf of the Company or any of its subsidiaries.

(hh) *Compliance with Money Laundering Laws.* The operations of the Company and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines,

issued, administered or enforced by any governmental agency (collectively, the “Money Laundering Laws”) and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(ii) *Compliance with OFAC.* None of the Company, any of its subsidiaries or, to the knowledge of the Company, any director, officer, agent, employee or Affiliate of the Company or any of its subsidiaries is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Department of the Treasury (“OFAC”); and the Company will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

As used herein, the term “Prospectus Delivery Period” means such period of time after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters a prospectus relating to the Securities is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sales of the Securities by any Underwriter or dealer.

(c) *Amendments or Supplements; Issuer Free Writing Prospectuses.* Before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement or the Prospectus (except for documents that are incorporated by reference therein), the Company will furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Representatives reasonably and promptly objects.

(e) *Time of Sale Information.* If at any time prior to the Time of Delivery (i) any event shall occur or condition shall exist as a result of which the Time of Sale Information as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances, not misleading or (ii) it is necessary to amend or supplement the Time of Sale Information to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Time of Sale Information as may be necessary so that the statements in the Time of Sale Information as so amended or supplemented will not, in the light of the circumstances, be misleading or so that the Time of Sale Information will comply with law.

(f) *Ongoing Compliance.* If during the Prospectus Delivery Period (i) any event shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Prospectus to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Prospectus as may be necessary so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law.

(g) *Blue Sky Compliance.* The Company will qualify the Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives shall reasonably request and will continue such qualifications in effect so long as required for distribution of the Securities; provided that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(h) *Compliance with Securities Law.* During the Prospectus Delivery Period, the Company will comply with all applicable securities and other laws, rules and regulations, including, without limitation, the Sarbanes-Oxley Act, and use its best efforts to cause the Company's directors and officers, in

their capacities as such, to comply with such laws, rules and regulations, including, without limitation, the provisions of the Sarbanes-Oxley Act.

(j) *Clear Market.* During the period from the date hereof through and including the Time of Delivery, the Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of any debt securities issued or guaranteed by the Company and having a tenor of more than one year.

(k) *Use of Proceeds.* The Company will apply the net proceeds from the sale of the Securities as described in the Registration Statement, the Time of Sale Information and the Prospectus under the heading "Use of Proceeds".

(l) *Investment Limitation.* The Company shall not invest or otherwise use the proceeds received by the Company from its sale of the Securities in such a manner as would require the Company or any of its subsidiaries to register as an investment company under the Investment Company Act.

(m) *No Price Stabilization or Manipulation.* The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the Exchange Act or otherwise, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Securities.

(n) *Record Retention.* The Company will, pursuant to reasonable procedures developed in good faith, retain copies of each Issuer Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Securities Act.

(o) *DTC.* The Company will cooperate with the Representatives and use its best efforts to permit the Securities to be eligible for clearance and settlement through The Depository Trust Company.

Section 5. Certain Agreements of the Underwriters. Each Underwriter hereby represents and agrees that:

(a) It has not used and will not use, authorize use of, refer to, or participate in the planning for use of, any "free writing prospectus", as defined in Rule 405 under the Securities Act (which term includes use of any written information furnished to the Commission by the Company and not incorporated by reference into the Registration Statement and any press release issued by the Company) other than (i) a free writing prospectus that, solely as a result of use by such Underwriter, would not trigger an obligation to file such free writing prospectus with the Commission pursuant to Rule 433, (ii) any Issuer Free Writing Prospectus listed on Annex B or prepared pursuant to Section 3(c) or Section 4(c) above (including any electronic road show), or (iii) any free writing prospectus prepared by such Underwriter and approved by the Company in advance in writing (each such free writing prospectus referred to in clauses (i) or (iii), an "Underwriter Free Writing Prospectus"). Notwithstanding the foregoing, the Underwriters may use a term sheet substantially in the form of Annex C hereto without the consent of the Company.

(b) It is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the Prospectus Delivery Period).

Section 6. Conditions of Underwriters' Obligations. The obligation of each Underwriter to purchase Securities at the Time of Delivery as provided herein is subject to the performance by the Company of its covenants and other obligations hereunder and to the following additional conditions:

(a) *Registration Compliance; No Stop Order.* No order suspending the effectiveness of the Registration Statement shall be in effect, and no proceeding for such purpose, pursuant to Rule 401(g)(2) or pursuant to Section 8A under the Securities Act shall be pending before or threatened by the Commission; the Prospectus and each Issuer Free Writing Prospectus shall have been timely filed with the Commission under the Securities Act (in the case of a Issuer Free Writing Prospectus, to the extent required by Rule 433 under the Securities Act) and in accordance with Section 4(a) hereof; and all requests by the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives.

(b) *Accountants' Comfort Letter.* On the date of this Agreement and at the Time of Delivery, the Representatives shall have received from PricewaterhouseCoopers LLP, independent public accountants for the Company, a letter dated the date of this Agreement or the Time of Delivery, addressed to the Representatives, in form and substance reasonably satisfactory to the Representatives and PricewaterhouseCoopers LLP.

(c) *No Material Adverse Effect or Ratings Agency Change.* For the period from and after the date of this Agreement and prior to the Time of Delivery:

(i) in the judgment of the Representatives there shall not have occurred any Material Adverse Effect;

(ii) there shall not have been any change or decrease specified in the letter or letters referred to in paragraph (b) of this Section 6 which is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement, the Time of Sale Information and the Prospectus; and

(iii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Company or any of its subsidiaries by any "nationally recognized statistical rating organization" as such term is defined in Section 3(a)(62) of the Exchange Act.

(d) *Opinion of Counsel for the Company.* At the Time of Delivery, the Representatives shall have received the favorable opinion of Ropes & Gray LLP, counsel for the Company, dated as of the Time of Delivery, in form and substance reasonably satisfactory to the Representatives.

(e) *Opinion of Counsel for the Underwriters.* At the Time of Delivery, the Representatives shall have received the favorable opinion of Cleary Gottlieb Steen & Hamilton LLP, counsel for the Underwriters, dated as of the Time of Delivery, in form and substance reasonably satisfactory to the Representatives; and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

15

(h) *Additional Documents.* On or before the Time of Delivery, the Representatives and counsel for the Representatives shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

Section 7. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors, officers and selling agents and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other reasonable expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, (ii) or any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information, or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but

16

only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information.

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the “Indemnified Person”) shall promptly notify the person against whom such indemnification may be sought (the “Indemnifying Person”) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 7 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 7. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Party may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the reasonable fees and expenses of counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such reasonable fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Representatives and any such separate firm for the Company, its directors, its officers who signed the Registration Statement and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final, non-appealable judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for reasonable fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance

17

reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total underwriting discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Securities. The relative fault of the Company on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters’ obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

Section 8. Effectiveness of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

Section 9. Termination. Prior to the Time of Delivery, this Agreement may be terminated by the Underwriters by notice given to the Company if at any time (i) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by the New York Stock Exchange,

18

(ii) trading in securities generally on the New York Stock Exchange shall have been suspended or limited, or minimum or maximum prices shall have been generally established by the Commission or FINRA or on either such stock exchange; (iii) a general banking moratorium shall have been declared by federal or New York authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States has occurred; or (iv) there shall have occurred any outbreak or escalation of national or international hostilities or declaration of a national emergency or war by the United States or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Underwriters is material and adverse and makes it impracticable or inadvisable to market the Securities in the manner and on the terms described in the Registration Statement, the Time of Sale Information and the Prospectus or to enforce contracts for the sale of securities. Any termination pursuant to this Section 9 shall be without liability on the part of (a) the Company to the Underwriters, except that the Company shall be obligated to reimburse the expenses of the Underwriters as provided in Section 11(b) hereof or (b) the Underwriters to the Company.

Section 10. Defaulting Underwriter. (a) If, at the Time of Delivery, any Underwriter defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Underwriters to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Underwriter, either the non-defaulting Underwriters or the Company may postpone the Time of Delivery for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement, the Time of Sale Information and the Prospectus or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement, the Time of Sale Information and the Prospectus that effects any such changes. As used in this Agreement, the term "Underwriters" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule I hereto that, pursuant to this Section 10, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities that such Underwriter agreed to purchase hereunder plus such Underwriter's pro rata share (based on the principal amount of Securities that such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement with respect to the Securities shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

19

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

Section 11. Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Time of Sale Information and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Underwriters); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, the Financial Industry Regulatory Authority; and (ix) all expenses incurred by the Company in connection with any "road show" presentation to potential investors.

(b) If (i) this Agreement is terminated pursuant to Section 9(i), (ii) the Company for any reason not permitted by this Agreement fails to tender the Securities for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

Section 12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to herein, and the affiliates of each Underwriter referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

Section 13. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of the Company or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Underwriters.

Section 14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term "affiliate" has the meaning set forth in Rule 405 under the Securities Act; (b) the term "business day" means any day other than a day on which banks are permitted or required to be closed in New York City; and (c) the term "subsidiary" has the meaning set forth in Rule 405 under the Securities Act.

(f) Notwithstanding that such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture would adversely affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

(g) [Reserved.]

(h) With respect to Securities of a series constituting a medium term note program, if the form and general terms of the Securities of such series have been established by or pursuant to one or more Board Resolutions or by an indenture supplemental hereto, as permitted by Section 2.1 in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall receive, and (subject to Section 8.1) shall be fully protected in relying upon, in addition to the foregoing documents and (if applicable) in lieu of clause (e) above, an Opinion of Counsel stating that the Securities have been duly authorized and executed by the Company, and assuming the due authentication by the Trustee in the manner provided for in the Indenture, when delivered against payment of the consideration therefor in accordance with any applicable distribution agreement, the Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and to general equity principles.

(i) Each Security shall be dated the date of its authentication.

(j) No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and

15

such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.9 together with a written statement (which need not comply with Section 1.2 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Section 2.4. Temporary Securities.

(a) Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order from the Company, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued, with such appropriate insertions, omissions, substitutions and other variations as the Officer executing such Securities may determine, as evidenced by his or her execution of such Securities.

(b) If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series the Company shall execute and, upon receipt of a Company Order, the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series and of like tenor, of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

Section 2.5. Registration; Transfer and Exchange.

(a) The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

(b) Upon surrender for registration of transfer of any Security of any series at an office or agency of the Company in a Place of Payment designated by the Company pursuant to Section 5.2 for that series, the Company shall execute, and, upon receipt of a Company Order, the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees,

16

one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor.

(c) At the option of the Holder, Securities of any series may be exchanged for other Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and, upon receipt of a Company Order, the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

(d) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

(e) Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

(f) No service charge shall be made for any registration of transfer or for exchange of Securities, but the Company, the Trustee or the Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 2.4, 2.5(h), 3.7 or 10.6 not involving any transfer.

(g) The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 3.3 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(h) Notwithstanding the foregoing, any Global Security shall be exchangeable pursuant to this Section 2.5 for Securities registered in the names of Persons other than the Depository for such Security or its nominee only if (i) such Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Security or such Depository ceases to be a clearing agency registered under the Exchange Act, (ii) the Company executes and delivers to the Trustee a Company Order that such Global Security shall be so exchangeable or (iii) there shall have occurred and be continuing an Event of Default of which the Trustee has been notified with respect to the Securities. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depository shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

17

(i) Notwithstanding any other provision in this Indenture, but subject to exchanges under clause (h) above, a Global Security may not be transferred except as a whole by the Depository with respect to such Global Security to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository.

(j) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among the Depository or other beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee, or any of its respective agents, shall have responsibility for any actions taken or not taken by a Depository.

(k) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in, the applicable Depository or other Person with respect to the accuracy of the records of a Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Securities shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the applicable Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the applicable Depository with respect to its members, participants and any beneficial owners.

Section 2.6. Mutilated, Destroyed, Lost and Stolen Securities.

(a) If any mutilated Security is surrendered to the Trustee, the Company shall execute and, upon receipt of a Company Order, the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount, and bearing a number not contemporaneously outstanding.

(b) If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and, upon receipt of a Company Order, the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount, and bearing a number not contemporaneously outstanding.

18

(c) In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

(d) Upon the issuance of any new Security under this Section, the Company or the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and its counsel) connected therewith.

(e) Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

(f) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.7. Payment of Interest; Interest Rights Preserved.

(a) Unless otherwise provided as contemplated by Section 2.1 with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

(b) Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder entitled to such interest by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a special record date (the "Special Record Date") for the payment of such Defaulted Interest which shall be not more than 15 days and not less

19

than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may elect to make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section, each Security delivered under this Indenture, upon registration of transfer of or in exchange for or in lieu of any other Security, shall carry the rights to interest accrued and unpaid, and interest to accrue, which were carried by such other Security.

Section 2.8. Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee, including a Paying Agent, may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 2.7) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee, including a Paying Agent, shall be affected by notice to the contrary.

Section 2.9. Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section,

20

except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be disposed of as directed by a Company Order from the Company.

Section 2.10. Computation of Interest.

Except as otherwise specified as contemplated by Section 2.1 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 2.11. CUSIP Numbers.

The Company in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

ARTICLE III

REDEMPTION OF SECURITIES

Section 3.1. Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 2.1 for Securities of any series) in accordance with this Article.

Section 3.2. Election to Redeem; Notice to Trustee.

In case of any redemption at the election of the Company of less than all the Securities of like tenor of any series, the Company shall, at least ten (10) days prior to the date that the notice of redemption is required to be given or caused to be given to the Holders of such Securities pursuant to Section 3.4(a) (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. Any such notice may be cancelled at any time prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officer’s Certificate evidencing compliance with such restriction.

21

Section 3.3. Selection by Trustee of Securities to Be Redeemed.

(a) If less than all the Securities of like tenor of any series are to be redeemed, the particular securities to be redeemed shall be selected by the Trustee from the Outstanding Securities of like tenor of such series not previously called for redemption, by lot or any other such method as the Trustee shall deem fair and appropriate (subject to the redemption procedures of the applicable Depository) and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of such Securities of a denomination larger than the minimum authorized denomination for such Securities.

(b) The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

(c) For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 3.4. Notice of Redemption.

(a) Unless otherwise indicated for a particular series of Securities by Board Resolution, a supplemental indenture hereto or an Officer’s Certificate, a notice of redemption shall be given by first-class mail, postage prepaid, not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at such Holder’s address appearing in the Security Register.

Such notice of redemption shall state:

(1) the Redemption Date,

(2) the Redemption Price,

(3) if less than all the Outstanding Securities of like tenor of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,

(4) in case any Security is to be redeemed in part only, the notice which relates to such Security shall state that on and after the Redemption Date, upon surrender of such Security, the Holder of such Security will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,

(5) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after such date,

22

(6) the CUSIP number and/or similar numbers of such Securities, if any (or any other numbers used by a Depository to identify such Securities),

(7) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and

(8) that the redemption is for a sinking fund, if such is the case.

In addition, if such redemption is subject to satisfaction of one or more conditions precedent, as permitted by the Board Resolution, supplemental indenture or Officer's Certificate establishing such series of Securities, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed.

(b) Any such notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company.

Section 3.5. Deposit of Redemption Price.

By 11:00 a.m. New York time on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, the Company shall segregate and hold in trust as provided in Section 5.3) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

Section 3.6. Securities Payable on Redemption Date.

(a) Subject to the final sentence of Section 3.4(a), notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified and, from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with such notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to (but excluding) the Redemption Date; provided, however, that installments of interest whose Stated Maturity is prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 2.7.

(b) If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

23

Section 3.7. Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing). The Company shall execute, and, upon receipt of a Company Order, the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE IV

SINKING FUNDS

Section 4.1. Applicability of Article.

(a) The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series permitted by the applicable supplemental indenture except as otherwise specified in accordance with Section 2.1 for Securities of such series.

(b) The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 4.2. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

Section 4.2. Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

24

Section 4.3. Redemption of Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officer's Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 4.2 and will also deliver to the Trustee any such Securities. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 3.3 and cause notice of the redemption, prepared by the Company, thereof to be given in the name of and at the expense of the Company in the manner provided in Section 3.4. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 3.6 and 3.7.

ARTICLE V

COVENANTS

Section 5.1. Payment of Principal, Premium and Interest.

(a) The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of (and premium, if any) and interest on the Securities of that series in accordance with the terms of the Securities and this Indenture.

(b) An installment of principal or interest shall be considered paid on the date it is due if the Trustee or Paying Agent holds on that date money designated for and sufficient to pay such installment and is not prohibited from paying such money to the Holders pursuant to the terms of this Indenture or otherwise.

Section 5.2. Maintenance of Office or Agency.

(a) The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

(b) The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to

25

maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 5.3. Money for Securities Payments to Be Held in Trust.

(a) If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its failure so to act.

(b) Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, prior to (or by 11:00 a.m., New York time on) each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act; provided, however, that to the extent any such funds are received by the Paying Agent from the Company after 11:00 a.m., New York time, on such due date, such funds will be distributed to such Persons within one Business Day of receipt thereof by the Paying Agent.

(c) The Company will cause each Paying Agent for any series of Securities other than the Trustee or the Company to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest on the Securities of that series; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

(d) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order, direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent. Upon such payment by any Paying Agent to the

26

Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(e) Any money deposited with the Trustee or any Paying Agent, or then held by the Company in trust, for the payment of the principal of (and premium, if any) or interest on any Security of any series, and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company on Company Request or (if then held by the Company) shall be discharged from such trust. Thereafter the Holder of such Security shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 5.4. Corporate Existence.

Subject to Article VI, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in a material respect to the Holders.

Section 5.5. Annual Statement by Officer as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year (which fiscal year as of the date of this Indenture ends on December 31) of the Company ending after the date hereof, an Officer's Certificate stating whether or not to the knowledge of the signer thereof the Company was in default in the performance and observance of any of the terms, provisions and conditions applicable to the Company during such fiscal year and, if the Company was in default, specifying all such defaults and the nature and status thereof of which he or she may have knowledge. If any default or Event of Default under clauses (4), (5), (6), (7) or (8) of Section 7.1 has occurred and is continuing, within 30 Business Days after its becoming aware of such occurrence, the Company shall deliver to the Trustee an Officer's Certificate specifying such event and what action the Company is taking or proposes to take with respect thereto.

ARTICLE VI

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 6.1. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into or convey, transfer or lease all or substantially all of its properties and assets to, another Person, unless:

(1) in case the Company shall consolidate with or merge into another Person or convey, transfer or lease all or substantially all of its properties and assets to another Person, the corporation or other Person formed by such consolidation or into which the

27

Company is merged or the Person which acquires by conveyance or transfer, or which leases, all or substantially all of the properties and assets of the Company shall be a corporation or other Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest on all the Securities and the performance and observance of every covenant of this Indenture on the part of the Company to be performed or observed; and

(2) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 6.2. Successor Substituted.

Upon any consolidation by the Company with or merger by the Company into any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company in accordance with Section 6.1, the successor formed by such consolidation or into which the Company is merged or the Person to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE VII

REMEDIES

Section 7.1. Events of Default.

"Event of Default", wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of any Security of that series when due and payable at its Maturity; or

(3) default in the deposit of any sinking fund payment (if applicable), when and as due by the terms of a Security of that series; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of a series of Securities other than the series in respect of which the Event of Default is being determined), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; or

(5) a default in the payment of the principal in respect of any mortgage, agreement or other instrument at the maturity thereof (other than a default under this Indenture or under any non-recourse debt) under which there may be outstanding or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company in excess of \$50,000,000 in the aggregate, whether such Indebtedness now exists or shall hereafter be created, which default shall have resulted (A) from the failure to pay the principal amount, upon final maturity of such Indebtedness or (B) in such Indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, in the case of each of clause (A) and clause (B) without such Indebtedness having been discharged or such acceleration having been rescinded or annulled, within a period of 30 days after there shall have been received, by registered or certified mail, by the Company from the Trustee or to the Company and the Trustee from the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default and requiring the Company to cause such acceleration to be rescinded or annulled and stating that such notice is a “Notice of Default” hereunder; provided, however, that, subject to the provisions of Sections 8.1 and 8.2, the Trustee shall not be deemed to have knowledge of such default unless either (A) a Responsible Officer of the Trustee shall have actual knowledge of such default or (B) a Responsible Officer of the Trustee shall have received written notice thereof from the Company, from any Holder, from the holder of any such Indebtedness or from the trustee under any such mortgage, agreement or other instrument; or

(6) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or

29

liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or

(7) the commencement by the Company of a voluntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Federal or State law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by the Company of an assignment for the benefit of creditors, or the admission by the Company in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(8) any other Event of Default provided with respect to Securities of that series.

Subject to the provisions of Section 8.3(h), the Trustee shall not be deemed to have knowledge of an Event of Default hereunder (except for those described in paragraphs (1) through (3) above) unless a Responsible Officer of the Trustee has received written notice thereof.

Section 7.2. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default with respect to Securities of any series at the time Outstanding (other than an Event of Default specified in clause (6) or (7) of Section 7.1) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may, and, subject to Section 8.3(e) of this Indenture, the Trustee at the request of such Holders shall, declare the principal amount (or, if any of the Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified in the terms thereof) of, and accrued and unpaid interest on, all of the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable. If an Event of Default specified in clause (6) or (7) of Section 7.1 occurs, the principal amount (or, if any of the Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified in the terms thereof) of, and accrued and unpaid interest on, all of the Outstanding Securities of that series shall be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder of any Security of that series.

30

(b) At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue principal (and premium, if any) and overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Securities of that series, other than the non-payment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 7.13.

(c) No such rescission shall affect any subsequent default or impair any right consequent thereon.

(d) Upon receipt by the Trustee of any declaration of acceleration, or rescission and annulment thereof, with respect to Securities of a series all or part of which is represented by a Global Security, the record date for determining Holders of Outstanding Securities of such series entitled to join in such declaration of acceleration, or rescission and annulment, as the case may be, shall be the day the Trustee receives such declaration of acceleration, or rescission and annulment, as the case may be, or, if such receipt occurs after the close of business or on a day that is not a Business Day, the next succeeding Business Day. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such declaration of acceleration, or rescission and annulment, as the case may be, whether or not such Holders remain Holders after such record date; provided, that unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having been obtained prior to the day which is 90 days after such record date, such declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. The Trustee may conclusively rely on any representation by the Holders delivering such declaration of acceleration, or rescission and annulment, as the case may be, that such Holders

constitute the requisite percentage to deliver such declaration. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new declaration of acceleration, or rescission or annulment thereof, as the case may be, that is identical to a declaration of acceleration, or rescission or annulment thereof, which has been canceled pursuant to the provision to the preceding sentence, in which event a new record date shall be established pursuant to the provision of this Section 7.2.

Section 7.3. Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that if:

(1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days; or

(2) default is made in the payment of the principal of (or premium, if any, on) any Security at the Maturity thereof; or

(3) default is made in the deposit of any sinking fund payment, when and as due by the terms of a Security;

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal (and premium, if any) and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

(b) If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

(c) If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 7.4. Trustee May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal (and premium, if any) or interest) the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 8.7 of this Indenture) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same.

(b) Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 8.7.

(c) Nothing herein contained shall be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

(d) The Trustee shall be entitled to participate as a member of any official committee of creditors in the matters it deems advisable.

Section 7.5. Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

33

Section 7.6. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 8.7;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the Company.

Section 7.7. Limitation on Suits.

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
 - (2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
 - (3) such Holder or Holders have offered to the Trustee indemnity or security satisfactory to the Trustee in its sole discretion against the costs, expenses and liabilities to be incurred in compliance with such request;
 - (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding;
- and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders (it being understood

34

that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 7.8. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 2.7) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 7.9. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 7.10. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 2.6, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 7.12. Control by Holders.

(a) The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that the Trustee may refuse to

35

following any direction that is in conflict with any rule of law or with this Indenture, subjects the Trustee to a risk of personal liability in respect of which the Trustee has not received indemnification or security satisfactory to it, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction; provided, however, that the Trustee may take any other action it deems proper that is not inconsistent with any such direction.

(b) Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a Global Security, the record date for determining Holders of outstanding Securities of such series entitled to join in such direction shall be the day the Trustee receives such direction, or, if such receipt occurs after the close of business or on a day that is not a Business Day, the next succeeding Business Day, the Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such direction, whether or not such Holders remain Holders after such record date; provided, that unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any Holder be canceled and of no further effect. The Trustee may conclusively rely on any representation by the Holders delivering such direction that such Holders constitute the requisite percentage to deliver such direction. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been canceled pursuant to the provisions to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 7.12.

Section 7.13. Waiver of Past Defaults.

(a) The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default:

(1) in the payment of the principal of any Security of that series when due and payable at its Maturity, or

(2) in respect of a covenant or provision hereof which under Article X cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

(b) Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 7.14. Undertaking for Costs.

Each party to this Indenture agrees, and each Holder of any Security by acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such

36

suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

Section 7.15. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VIII

THE TRUSTEE

Section 8.1. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

37

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligence or willful misconduct, except that:

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction, determined as provided in Section 7.12, of the Holders of a majority in principal amount of the Outstanding Securities of any series, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series; and

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VIII.

(e) The Trustee shall not be liable for interest on any money or assets received by it except as the Trustee may agree with the Company.

(f) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

Section 8.2. Notice of Defaults.

Within 90 days after the Trustee has actual knowledge of an occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders of Securities of such series. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 8.3. Certain Rights of Trustee.

Subject to the provisions of Section 8.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order, or as otherwise expressly provided herein, and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution or as otherwise expressly provided herein;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, require and rely upon an Officer's Certificate or Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate and/or Opinion of Counsel;

(d) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture (including, without limitation, instituting, conducting or defending any litigation), unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other document, but if notwithstanding the foregoing the Trustee makes or is directed to make such further inquiry or investigation into such facts or matters, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and, subject to Section 8.1(c), shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

(g) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Indenture;

(h) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(i) the Trustee shall not be deemed to have notice of any default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default or Event of Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to a Default or Event of Default, such reference shall be construed to refer only to such Default or Event of Default for which the Trustee is deemed to have notice pursuant to this Section 8.3(i);

(j) the permissive rights of the Trustee enumerated herein shall not be construed as duties of the Trustee;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(l) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, provided that the Trustee reasonably believes that the last such certificate received from the Company or currently on file is no longer accurate;

(m) the Trustee shall not be required to give any note, bond or surety in respect of the execution of the trusts and powers under this Indenture; and

(n) the Trustee shall have no obligation or duty to ensure compliance with the securities laws of any country or state except to request such certificates or other documents required to be obtained by the Trustee or any Security Registrar hereunder in connection with any exchange or transfer pursuant to the terms hereof.

Section 8.4. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee or any Authenticating Agent assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee or any Authenticating Agent shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 8.5. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 8.8 and 8.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

Section 8.6. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 8.7. Compensation and Reimbursement.

(a) The Company agrees:

(1) to pay to the Trustee from time to time such compensation for its acceptance of this Indenture and for its services hereunder as Trustee, Paying Agent, Security Registrar and in all other capacities in which it is serving hereunder as the Company and the Trustee shall from time to time agree in writing (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(3) to indemnify the Trustee and its agents, directors, employees and officers for, and to hold them harmless against, any loss, claim, damage, liability or out-of-pocket expense (including the reasonable compensation, expenses and disbursements of its agents and counsel) incurred without negligence, bad faith or willful misconduct on its or their part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the reasonable costs and out-of-pocket expenses of defending itself against any claim or liability in connection with the exercise or performance of any of the Trustee's powers or duties hereunder.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee in such capacity, and may withhold or set-off any amounts due and owing to it under this Indenture from any money or property held or collected by it in its capacity as Trustee. If the Trustee incurs expenses or renders services after the occurrence and during the continuance of an Event of Default, the expenses and the compensation for the services will be intended to

constitute expenses of administration under Title 11 of the United States Bankruptcy Code or any applicable federal or state law for the relief of debtors. The provisions of this Section 8.7 shall survive the resignation or removal of the Trustee and the satisfaction, discharge and termination of this Indenture for any reason.

(b) The Trustee shall notify the Company promptly of any third-party claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder unless, and solely to the extent that, such failure materially prejudices the Company's defense of such claim. The Company shall defend the claim, with counsel reasonably satisfactory to the Trustee, and the Trustee shall provide reasonable cooperation at the Company's expense in the defense; provided that if the defendants in any such claim include both the Company and the Trustee and the Trustee shall have concluded that there may be legal defenses available to it which are different from or additional to those available to the Company, or the Trustee has concluded that there may be any other actual or potential conflicting interests between the Company and the Trustee, the Trustee shall have the right to select separate counsel and the Company shall be required to pay the reasonable fees and expenses of such separate counsel. Any settlement which affects the Trustee may not be entered into without the written consent of the Trustee, unless the Trustee is given a full and unconditional release from liability with respect to the claims covered thereby and such settlement does not include a statement or admission of fault, culpability or failure to act by or on behalf of the Trustee. After the Company has assumed the defense of a claim as set forth in this Section 8.7(b), the Trustee may not settle or compromise any suit or action without the consent of the Company (not to be unreasonably withheld or delayed).

Section 8.8. Disqualification; Conflicting Interests.

The Trustee shall comply with the terms of section 310(b) of the Trust Indenture Act.

Section 8.9. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by Federal or State authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 8.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.11.

42

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 8.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 8.8 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 8.9 and shall fail to resign after written request therefor by the Company or any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company may remove the Trustee with respect to all Securities, or (ii) subject to Section 7.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 8.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 8.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and

43

accepted appointment in the manner required by Section 8.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its corporate trust office.

Section 8.11. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee. On the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee. Upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each

such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

On request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in clause (a) and (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

(e) Notwithstanding the replacement of the Trustee pursuant to Section 8.10, the Company's obligations under Section 8.7 shall continue for the benefit of the retiring Trustee.

Section 8.12. Merger, Conversion, Consolidation or Succession to Business.

Any corporation or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or other entity succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided such corporation or other entity shall be otherwise qualified and eligible under this Article. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 8.13. Preferential Collection of Claims.

The Trustee shall comply with section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to section 311(a) of the Trust Indenture Act to the extent indicated therein.

Section 8.14. Appointment of Authenticating Agent.

(a) At any time when any of the Securities remain Outstanding, the Trustee may and, upon request of the Company, shall appoint an Authenticating Agent or Agents with respect to one or more series of Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 2.6; provided that the Trustee's appointment of such Authenticating Agent shall be subject to the Company's approval at the time of and throughout such appointment. Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder.

Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall at all times be a corporation or other entity organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

(b) Any corporation or other entity into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation or other entity succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent, provided such corporation or other entity shall be otherwise eligible under this Section.

(c) An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and the Company, and the Trustee shall terminate any such agency promptly upon request by the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may and, upon request of the Company, shall appoint a successor Authenticating Agent, provided that the Trustee's appointment of such Authentication Agent shall be subject to the Company's approval at the time of and throughout such appointment, and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Securities of the series with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

(d) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

(e) If an appointment of an Authenticating Agent with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

Section 8.15. Consequential Damages.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 8.16. Notices.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, provided, however, that the Trustee shall have received or have on file an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Company agrees to assume all risks arising out of the use of such electronic methods by the Company to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

47

Section 8.17. Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

ARTICLE IX

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND COMPANY

Section 9.1. Company to Furnish Trustee Names and Addresses of Holders.

If the Trustee is not the Security Registrar, the Company will furnish or cause to be furnished to the Trustee:

(a) not later than 15 days after each Regular Record Date (or, if there is no Regular Record Date relating to a series, semi-annually on dates set forth in the Board Resolution or supplemental indenture with respect to such series), a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such date, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished.

Section 9.2. Preservation of Information; Communications to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 9.1 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 9.1 upon receipt of a new list so furnished.

(b) Holders of any series may communicate pursuant to section 312(b) of the Trust Indenture Act with other Holders of that series or any other series with respect to their rights under this Indenture or the Securities of that series or any other series. The Company, the Trustee, the Security Registrar and any other Person shall have the protection of section 312(c) of the Trust Indenture Act.

Section 9.3. Reports by Trustee.

(a) Within 60 days after May 15 of each year, commencing the May 15 following the date of this Indenture, the Trustee shall, to the extent that any of the events described in section

48

313(a) of the Trust Indenture Act occurred within the previous 12 months, but not otherwise, mail to each Holder a brief report dated as of such date that complies with section 313(a) of the Trust Indenture Act. The Trustee also shall comply with sections 313(a), 313(b), 313(c) and 313(d) of the Trust Indenture Act.

(b) A copy of each report at the time of its mailing to Holders shall be mailed to the Company and filed with the Commission and each securities exchange, if any, on which the Securities of that series are listed.

(c) The Company shall notify the Trustee if the Securities of any series become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with section 313(d) of the Trust Indenture Act.

Section 9.4. Reports by Company.

(a) The Company shall deliver to the Trustee, within fifteen days after the same is filed with the Commission, copies of the quarterly and annual reports and of the information, documents and other reports, if any, that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, and to the extent required by Section 1.7, the Company shall otherwise comply with the requirements of Section 314(a) of the Trust Indenture Act. Any such report, information or document that the Company files with the Commission through the Commission's EDGAR database (or any successor thereto) shall be deemed delivered to the Trustee for purposes of this Section 9.4(a) at the time of such filing through the EDGAR database (or successor thereto), without notice to the Trustee or any other action on the part of the Company.

(b) Delivery of any information, documents and reports to the Trustee pursuant to clause (a) of this Section is for informational purposes only and the Trustee's receipt of such items shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

ARTICLE X

SUPPLEMENTAL INDENTURES

Section 10.1. Supplemental Indentures Without Consent of Holders.

Without the consent of or notice to any Holders, the Company and the Trustee (at the direction of the Company) at any time and from time to time, may enter into one or more indentures supplemental hereto (including any related opinions, certificates and ancillary documents), in form reasonably satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities; or

49

(2) to add to the covenants of the Company for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company; or

(3) to add any additional Events of Default with respect to all or any series of Securities (and if such Events of Default are to be for the benefit of less than all series of Securities, stating that such Events of Default are expressly being included solely for the benefit of such series); or

(4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of new Securities permitted by Section 2.1 in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to permit or facilitate the issuance of Securities in uncertificated form; or

(5) to secure the Notes; or

(6) to add any guarantees with respect to the Notes; or

(7) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(8) to make a change to the Securities of any series that does not adversely affect the rights of any Holder of the Securities of such series; or

(9) to establish the form or terms of Securities of any series as permitted by Section 2.1; or

(10) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series or to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 8.11(b); or

(11) to cure any ambiguity or omission or to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, provided such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect; or

(12) to comply with any requirement of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act; or

50

(13) to conform the Indenture or the Securities to the description thereof in the related prospectus, offering memorandum or disclosure document.

Section 10.2. Supplemental Indentures with Consent of Holders.

(a) With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series so affected by such supplemental indenture, by Act of such Holders delivered to the Company and the Trustee, the Company and the Trustee (at the direction of the Company) may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of the Securities of such series or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture. Without the consent of the Holder of each Outstanding Security directly affected thereby, a supplemental indenture under this Section 10.2 shall not (with respect to any Outstanding Security held by a non-consenting Holder):

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, such Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 7.2, or adversely affect any right of repayment of such Security at the Holder's option or change any Place of Payment where, or the currency in which, such Security or any premium or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date) or modify the Securities of any series to subordinate such Securities to other Indebtedness, or

(2) reduce the percentage in principal amount of the Outstanding Securities of the series for such Outstanding Security, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or

(3) modify any of the provisions of this Section or Section 7.13, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security directly affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section, or the deletion of this proviso, in accordance with the requirements of Sections 8.11(b) and 10.1(8); or

(4) make any Security payable in a currency other than that stated in such Security.

51

(b) A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

(c) It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

(d) The Company may set a record date for purposes of determining the identity of Holders of Securities entitled to consent pursuant to this Section. Such record date shall be the later of (i) 30 days prior to the first solicitation of such consent or (ii) the date of the most recent list of Holders furnished to the Trustee pursuant to Section 9.1 prior to such solicitation.

Section 10.3. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 8.1) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and complies with the provisions hereof (including Section 10.5). The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, or immunities or liabilities under this Indenture or otherwise.

Section 10.4. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes. Every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 10.5. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act, as then in effect.

Section 10.6. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company, and such Securities may be authenticated and delivered by the Trustee, in exchange for Outstanding Securities of such series.

52

ARTICLE XI

SATISFACTION AND DISCHARGE; DEFEASANCE

Section 11.1. Satisfaction and Discharge of Indenture.

(a) This Indenture shall upon Company Request cease to be of further effect with respect to Securities of any series (except as to any surviving rights of registration of transfer or exchange of Securities of such series and replacement of lost, stolen or mutilated Securities of such series herein expressly provided for), and the Trustee, on the demand of and at the expense of the Company, shall execute instruments acknowledging satisfaction and discharge of this Indenture with respect to such series, when:

(1) Either:

(A) all Securities of such series theretofore authenticated and delivered have been delivered to the Trustee for cancellation (other than (i) Securities of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 and (ii) Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 5.3); or

(B) all such Securities of such series not theretofore delivered to the Trustee for cancellation:

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption,

and the Company, in the case of clauses (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of establishing an amount sufficient to pay and discharge the entire indebtedness on such Securities of such series not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Securities of such series which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be; and

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

53

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for the satisfaction and discharge of this Indenture have been complied with.

(b) At any time when no Securities of any series are outstanding, this Indenture shall upon Company Request cease to be of further effect and the Trustee, at the expense of the Company, shall execute instruments of satisfaction and discharge of this Indenture.

(c) Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 8.7 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (a)(1) of this Section 11.1, the obligations of the Trustee under Section 11.6 and Section 5.3(e) shall survive.

Section 11.2. Company's Option to Effect Defeasance or Covenant Defeasance.

Unless pursuant to Section 2.1 provision is made for either or both of (a) defeasance of the Securities of another series under Section 11.3 not to be applicable with respect to the Securities of a particular series or (b) covenant defeasance of the Securities of another series under Section 11.4 not to be applicable with respect to the Securities of such particular series, then the provisions of such Sections, together with the other provisions of Sections 11.3, 11.4, 11.5 and 11.6, shall be applicable to the Securities of such particular series, and the Company may at its option, at any time, with respect to the Securities of such particular series, elect to have either Section 11.3 or Section 11.4 be applied to the Outstanding Securities of such series upon compliance with the conditions set forth below in Sections 11.3, 11.4, 11.5 and 11.6.

Section 11.3. Defeasance and Discharge.

Upon the Company's exercise of the option set forth in Section 11.2 and satisfaction of the conditions to defeasance set forth in Section 11.5, the Company shall be deemed to have been discharged from its obligations with respect to the Outstanding Securities of such series on the date the conditions set

forth below are satisfied (hereinafter, “defeasance”). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense and direction of the Company, shall execute instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (A) the rights of Holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 11.5 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any) and interest on such Securities when such payments are due, (B) the Company’s obligations with respect to such Securities under Sections 2.4, 2.5, 2.6, 5.2 and 5.3, (C) the rights, powers, trusts, duties, and immunities of the Trustee under Sections 2.5, 2.6, 2.7, 2.8, 2.9, 5.3(e), 8.7 and 11.6 and otherwise the duty of the Trustee to authenticate Securities of such series issued on registration of transfer or exchange and (D) Sections 11.3, 11.4, 11.5 and 11.6. Subject to compliance with Sections 11.3, 11.4, 11.5 and 11.6, the Company may exercise its option under

54

this Section 11.3 notwithstanding the prior exercise of its option under Section 11.4 with respect to the Securities of such series.

Section 11.4. Covenant Defeasance.

Upon the Company’s exercise of the option set forth in Section 11.2 and satisfaction of the conditions to defeasance set forth in Section 11.5, the Company shall be released from its obligations under Sections 5.4, 5.5, 6.1(2) and 9.4 and any other covenants to be applicable to the Securities of a series as specified pursuant to Section 2.1 unless specified otherwise pursuant to such Section (and the failure to comply with any such provisions shall not constitute a default or Event of Default under Section 7.1), and the occurrence of any event described in Sections 7.1(4), (5) and (8) and any other events of default to be applicable to the Securities of a series as specified pursuant to Section 2.1 unless specified otherwise pursuant to such Section shall not constitute a default or Event of Default hereunder, with respect to the Outstanding Securities of such series on and after the date the conditions set forth below are satisfied (hereinafter, “covenant defeasance”). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section with respect to it, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

Section 11.5. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of either Section 11.3 or Section 11.4 to the Outstanding Securities of such series:

(a) the Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 8.9 who shall agree to comply with the provisions of this Article XI applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (A) money in an amount, or (B) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount, or (C) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, (i) the principal of (and premium, if any) on and each installment of principal of (premium, if any) and interest on the Outstanding Securities of such series on the Stated Maturity of such principal or installment of principal or interest and (ii) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the day on which such payments are due and payable in accordance with the terms of this Indenture and of such Securities. For this purpose, “U.S. Government Obligations” means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a Person controlled or supervised by and

55

acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in section 3(a)(2) of the Securities Act of 1933, as amended from time to time) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) no Event of Default with respect to the Securities of such series shall have occurred and be continuing on the date of such deposit (other than an Event of Default resulting from borrowing of funds to be applied to such deposit and the grant of any lien securing such borrowing);

(c) such defeasance or covenant defeasance shall not cause the Trustee for the Securities of such series to have a conflicting interest for purposes of the Trust Indenture Act with respect to any securities of the Company;

(d) such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company is a party or by which it is bound;

(e) such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) in the case of an election under Section 11.3, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Outstanding Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) in the case of an election under Section 11.4, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

56

(h) such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.1; and

(i) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to either the defeasance under Section 11.3 or the covenant defeasance under Section 11.4, as the case may be, have been complied with.

Section 11.6. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to the provisions of Section 5.3(e), all money deposited with the Trustee (or other qualifying trustee, collectively, for purposes of this Section 11.6, the "Trustee"), all money and U.S. Government Obligations deposited with the Trustee and all money received by the Trustee in respect of U.S. Government Obligations deposited with the Trustee, pursuant to Section 11.1 or 11.5, in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal (and premium, if any) and interest, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 11.5 or the principal and interest received in respect thereof, other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Securities of such series.

(c) Anything in this Article XI to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 11.5 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance and pay any obligations owed or accrued in favor of the Trustee.

WHEREAS, all conditions and requirements necessary to make this Supplemental Indenture, when executed and delivered, a valid agreement of the Company, in accordance with its terms, have been performed and filled;

NOW, THEREFORE, WITNESSETH:

For and in consideration of the premises and the purchase of the Securities established by this Supplemental Indenture by the holders thereof (the “**Holders**”), it is mutually agreed, for the equal and proportionate benefit of all such Holders, as follows:

ARTICLE I**Definitions and Other Provisions of General Application**

Section 1.01. Relation to Base Indenture. This Supplemental Indenture constitutes a part of the Base Indenture (the provisions of which, as modified through this Supplemental Indenture, shall apply to the series of Securities established by this Supplemental Indenture) but, except as expressly provided herein, shall not modify, amend or otherwise affect the Base Indenture insofar as it relates to any other series of Securities or, except as expressly provided herein, modify, amend or otherwise affect in any manner the terms and conditions of the Securities of any other series.

Section 1.02. Definitions. For all purposes of this Supplemental Indenture, the capitalized terms used herein (i) which are defined in this Section 1.02 have the respective meanings

assigned hereto in this Section 1.02 and (ii) which are defined in the Base Indenture (and which are not defined in this Section 1.02) have the respective meanings assigned thereto in the Base Indenture. For all purposes of this Supplemental Indenture:

- (a) Unless the context otherwise requires, any reference to an Article or Section refers to an Article or Section, as the case may be, of this Supplemental Indenture;
- (b) The words “herein,” “hereof” and “hereunder” and words of similar import refer to this Supplemental Indenture as a whole and not to any particular Article, Section or other subdivision; and
- (c) The terms defined in this Section 1.02(c) have the meanings assigned to them in this Section and include the plural as well as the singular.

“**Below Investment Grade Rating Event**” means the Notes are downgraded below Investment Grade by both Rating Agencies (or, if only one Rating Agency is rating the Notes at such time, such Rating Agency) on any date from the date of the public notice of an arrangement that results in a Change of Control until the end of the 60-day period following public notice of the occurrence of a Change of Control (which period shall be extended so long as the

rating of the Notes is under publicly announced consideration for possible downgrade by either of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Repurchase Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“**Change of Control**” means the occurrence of any of the following:

- (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s properties or assets and those of its Subsidiaries, taken as a whole, to any “person” or “group” (as those terms are used in Section 13(d) and 14(d) of the Exchange Act), other than the Company or one or more of its Subsidiaries;
- (2) the adoption of a plan relating to the Company’s liquidation or dissolution; or
- (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d) and 14(d) of the Exchange Act), becomes the beneficial owner, directly or indirectly, of 35% or more of the Company’s Voting Stock, measured by voting power rather than number of shares.

Notwithstanding the foregoing, a transaction effected to create a holding company for the

2

Company will not be deemed to involve a Change of Control if (1) pursuant to such transaction the Company becomes a subsidiary of such holding company and (2) the holders of a majority of the Voting Stock of such holding company immediately following such transaction are the same as the holders of a majority of the Company’s Voting Stock immediately prior to such transaction.

“**Comparable Treasury Issue**” means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of the Notes.

“**Comparable Treasury Price**” means, with respect to any Redemption Date, (A) the arithmetic average of the Reference Treasury Dealer Quotations for such Redemption Date obtained by the Company, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (B) if the Company obtains only one Reference Treasury Dealer Quotation, such Reference Treasury Dealer Quotation.

“**Default**” means any event that is, or after notice or lapse of time or both would become, an Event of Default with respect to the Notes.

“**Fitch**” means Fitch, Inc., doing business as Fitch Ratings, or any successor thereto.

“**Interest Payment Date**” has the meaning set forth in Section 2.01(d).

“**Interest Period**” has the meaning set forth in Section 2.01(d).

“**Investment Grade**” means a rating of BBB– or better by S&P or Fitch (or the equivalent under any successor rating categories of S&P or Fitch) (or, in each case, if such Rating Agency ceases to rate the Notes for reasons outside of the Company’s control, the equivalent investment grade credit rating from any Rating Agency selected by the Company as a replacement Rating Agency).

“**Maturity Date**” has the meaning set forth in 2.01(c).

“**Notes**” has the meaning set forth in Section 2.01(a).

“**Rating Agency**” means:

- (1) each of S&P and Fitch; and
- (2) if either of S&P or Fitch ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, any “nationally recognized statistical rating organization” within the meaning of Rule

3

15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company (at the Company’s option) as a replacement agency for S&P or Fitch, or both, as the case may be (it being understood that the Company shall not be required to select such a replacement agency for so long as at least one Rating Agency is rating the Notes).

“**Redemption Date**”, when used with respect to any Note, means the date fixed for such redemption by or pursuant to this Supplemental Indenture.

“**Redemption Price**”, when used with respect to any Note to be redeemed, means the price at which it is to be redeemed pursuant to this Supplemental Indenture.

“**Reference Treasury Dealer**” means each of Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, or their respective affiliates that are primary U.S. Government securities dealers, and their respective successors; provided, however, that if any of the foregoing or their affiliates shall cease to be a primary U.S. Government securities dealer in The City of New York (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer.

“**Reference Treasury Dealer Quotations**” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such Redemption Date.

“**S&P**” means Standard & Poor’s Ratings Services, a division of McGraw-Hill, Inc., or any successor thereto.

“**Treasury Rate**” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

“**Voting Stock**” as applied to stock of any person, means shares, interests, participations or other equivalents in the equity interest (however designated) in such person entitled to vote in the election of the directors (or the equivalent) of such person, other than shares, interests, participations or other equivalents having such power only by reason of the occurrence of a contingency.

ARTICLE II

General Terms and Conditions of the Notes

Section 2.01. Terms of Notes. Pursuant to Sections 2.1 and 2.3 of the Base Indenture, there is hereby established a series of Securities, the terms of which shall be as follows:

(a) Designation. The Securities shall be known and designated, as applicable, as the “4.250% Senior Notes due 2024” (the “Notes”) of the Company. The CUSIP number of the Notes is 008252AM0 and the ISIN number of the Notes is US008252AM02.

4

(b) Form and Denominations. The Notes will be issued only in fully registered form, and the authorized minimum denominations of the Notes shall be \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes will initially be issued in the form of one or more Global Securities substantially in the form of Annex A attached hereto, with such modifications thereto as may be approved by the authorized officer executing the same, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee as custodian for DTC (the “Depository”) and registered in the name of Cede & Co., the Depository’s nominee, duly executed by the Company, and, upon receipt of a Company Order, authenticated by the Trustee. In limited circumstances, the Notes may be represented by notes in certificated form. The Notes will be denominated in U.S. Dollars and payments of principal and interest will be made in U.S. Dollars.

(c) Maturity Date. The principal amount of, and all accrued and unpaid interest on, the Notes shall be payable in full on February 15, 2024, or if such day is not a Business Day, the following Business Day (each, the “Maturity Date”).

(d) Interest. The Notes will bear interest at a rate of 4.250% per year from and after the original issue date thereof. Interest on the Notes shall be payable on February 15 and August 15 of each year, beginning August 15, 2014 (each such date, an “**Interest Payment Date**”). Interest will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance (each, an “**Interest Period**”). The amount of interest payable for any Interest Period will be computed on the basis of a 360-day year composed of twelve 30-day months. The amount of interest payable for any period shorter than a full Interest Period for which interest is computed will be computed on the basis of the actual number of days elapsed per 30-day month. If any Interest Payment Date falls on a date that is not a Business Day, the interest payment due on that date will be postponed until the succeeding Business Day and no interest will be paid as a result of any such postponement.

In addition, all interest shall be payable on the Maturity Date, and interest on the Notes subject to redemption shall be payable on the date the principal thereof is payable.

(e) To Whom Interest is Payable. Interest shall be payable to the Person in whose name the Notes are registered at the close of business on the regular record date for such interest, which shall be the February 1 or August 1 (whether or not a Business Day), as the case may be, next preceding the Interest Payment Date; provided, however, that interest due on the Maturity Date or any Redemption Date (in each case, whether or not an Interest Payment Date) will be paid to the Person to whom principal of such Notes is payable.

(f) Sinking Fund; Holder Repurchase Right. The Notes shall not be subject to any sinking fund or analogous provision or be redeemable at the option of the Holders.

(g) Forms. The Notes shall be substantially in the form of Annex A attached hereto, with such modifications thereto as may be approved by the authorized officer executing the same.

(h) Security Registrar, Paying Agent and Place of Payment. The Company hereby appoints U.S. Bank National Association as Security Registrar and Paying Agent with respect to the Notes. The Notes may be surrendered for registration of transfer and for exchange at the

5

Corporate Trust Office of the Trustee or at any other office or agency maintained by the Company for such purpose. The place of payment for the Notes shall be the Corporate Trust Office of the Trustee.

Section 2.02. Change in Control.

(a) If a Change of Control Repurchase Event occurs, unless the Company shall have exercised its right to redeem the Notes in full, the Company will make an offer to each Holder of Notes to repurchase all or any part (in minimum denominations of \$2,000 and integral multiples of \$1,000 principal amount) of that Holder's Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased to, but not including, the date of purchase. Within 30 days following any Change of Control Repurchase Event, the Company will deliver, or, at the Company's option, prior to any Change of Control, but after the public announcement of the Change of Control, the Company may deliver a notice to each Holder describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Notes on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered. Any notice delivered pursuant to this Section 2.02(a) shall be either mailed to the registered address of each Holder of the Notes or provided by email or facsimile to the Trustee for transmission to the Depository or its nominee or such other notice method in accordance with the Indenture as determined by an Officer's Certificate. Such notice shall, if delivered prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the Notes by virtue of such conflict.

(b) On the Change of Control Repurchase Event payment date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to its offer;
- (2) deposit with the Paying Agent an amount equal to the aggregate purchase price in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes being purchased by the Company.

6

(c) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the purchase price for the Notes, and, upon receipt of a Company Order, the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Security equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new Security of this Series will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes an offer in respect of the Notes in the manner, at the time and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

Section 2.03. Optional Redemption.

(a) The provisions of Article 3 of the Indenture shall apply to the Notes.

(b) At any time prior to the Maturity Date, the Notes will be redeemable, as a whole or in part, at the Company's option, on at least 30 days, but not more than 60 days, prior notice mailed to the registered address of each Holder of the Notes to be redeemed, or provided by email or facsimile to the Trustee for transmission to the Depository or its nominee or such other notice method in accordance with the Indenture as determined by an Officer's Certificate, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, plus accrued and unpaid interest thereon to, but not including, the Redemption Date; provided, however, that in the event the Redemption Date for any Security falls on a day that is not a Business Day, then the related payments of principal and interest may be made on the next succeeding date that is a Business Day (and no additional interest will accumulate on the amount payable for the period from and after the Redemption Date for such Security unless the Company defaults in the payment of such interest); and provided, further, that the principal amount of any Security remaining outstanding after a redemption in part shall be an integral multiple of \$1,000.

(c) On and after the Redemption Date for any Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Company defaults in the payment of such interest. On or before the Redemption Date for any Notes, the Company will deposit with a Paying Agent, or the Trustee, funds sufficient to pay the Redemption Price of, and accrued and unpaid interest on, the Notes to be redeemed on such date. If less than all of the Notes of any series are to be redeemed, the Notes of such series to be redeemed will be selected by the Trustee by lot or any such other method as the Trustee deems fair and appropriate, subject to the procedures of the Depository.

Section 2.04. Limitation on Liens.

For the benefit of the Holders of the Notes, a new Section 5.6 shall be added to the Indenture

7

as follows:

“Section 5.6. Limitation on Liens

So long as any Securities are outstanding, the Company shall not create, assume, incur or guarantee any Indebtedness for money borrowed that is secured by any mortgage, pledge, lien, security interest or other encumbrance of any nature (each, a “**Lien**”) on any present or future voting stock of any of the Company’s Subsidiaries unless the Securities are secured equally and ratably with, or prior to, the Indebtedness secured by such Lien for so long as such other Indebtedness is so secured. If the Securities are so secured, the Company may, at its option, secure any other Indebtedness or obligations equally and ratably with the Securities, as long as such other Indebtedness or obligations are not subordinate to the Securities. This limitation shall not apply to (a) Liens on voting stock of a Subsidiary at the time it becomes a Subsidiary, including any renewals, extensions or refinancings of the Indebtedness secured by such Lien; (b) Liens securing intercompany Indebtedness; and (c) Liens securing other Indebtedness created, assumed, incurred or guaranteed by the Company if the aggregate amount of the Indebtedness so secured does not exceed \$250,000,000.”

Section 2.05. Consolidation, Merger and Sale of Assets.

For the benefit of the Holders of the Notes, Section 6.1 of the Indenture shall be amended and restated to read in its entirety as follows:

“Section 6.1. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to, another Person unless (1) if the Company is not the resulting, surviving or transferee corporation, the resulting, surviving or transferee Person is a corporation organized and existing under the laws of the United States of America, any state thereof or the District of Columbia, and such Person expressly assumes by supplemental indenture all of the Company’s obligations under the Securities and the Indenture; (2) if, as a result of any such transaction, the Company’s properties or assets would become subject to a mortgage, pledge, lien, security interest or other encumbrance that would not be permitted by the Indenture, the Company or the resulting, surviving or transferee Person shall take such steps as shall be necessary effectively to secure the Securities equally and ratably with (or prior to) all Indebtedness secured thereby; and (3) immediately after giving effect to such transaction, no Default has occurred and is continuing under the Indenture.”

[Form of Reverse of Note]

This Note is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of February 11, 2014 (herein called the “**Base Indenture**”, which term shall have the meaning assigned to it in such instrument), as supplemented through a Supplemental Indenture, dated as of February 11, 2014 (herein called the “**Supplemental Indenture**”, and together with the Base Indenture, the “**Indenture**”), between the Company and U.S. Bank National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, obligations, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$400,000,000. The Company may at any time issue other debt securities under the Indenture. The Company may at any time issue additional securities under the Indenture in unlimited amounts having the same terms as the Notes (except as otherwise provided in the Indenture) so that such additional securities shall be consolidated with the Notes, including for purposes of voting and redemption; provided, however, that the Company will use a separate CUSIP for any such additional Notes that (a) are not part of the same issue as the Notes within the meaning of U.S. Treasury Regulations sections 1.1275-1(f) and 1.1275-2(k) and (b) have, for purposes of U.S. federal income taxation, more than a *de minimis* amount of original issue discount as of the date of the issue of such additional notes. Any such additional securities shall, together with the outstanding Notes, constitute a single series of debt securities under the Indenture.

Optional Redemption of Notes

The Notes of this series are subject to redemption, at the option of the Company, from time to time in whole or in part, at any time prior to the Maturity Date of the Notes, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, plus accrued and unpaid interest thereon to, but not including, the Redemption Date.

“**Comparable Treasury Issue**” means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of the Notes.

“**Comparable Treasury Price**” means, with respect to any Redemption Date, (A) the arithmetic average of the Reference Treasury Dealer Quotations for such Redemption Date obtained by the Company, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (B) if the Company obtains only one Reference Treasury Dealer Quotation, such Reference Treasury Dealer Quotation.

“**Independent Investment Banker**” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, or their respective affiliates that are primary U.S. Government securities dealers, and their respective successors; provided, however, that if any of the foregoing or their affiliates shall cease to be a primary U.S. Government securities dealer in The City of New York (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

The Company may not redeem the Notes in part on any date if the principal amount of the Notes has been accelerated and such acceleration has not been rescinded, on or prior to such date.

In the event of redemption of this Note in part only, a new Note or Notes of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

Unless the Company defaults in payment of the Redemption Price, on and after any Redemption Date, interest will cease to accrue on the Notes called for redemption, unless the Company defaults in the payment of the Redemption Price. Prior to any Redemption Date, the Company shall deposit with the Paying Agent money sufficient to pay the Redemption Price of and accrued interest on the Notes to be redeemed on such date. If the Company is redeeming less than all of the Notes, the Trustee shall select the Notes to be redeemed by lot or any other such method as the Trustee deems fair and appropriate, subject to the procedures of the Depository.

Offer to Repurchase Upon a Change of Control Repurchase Event

If a Change of Control Repurchase Event (defined below) occurs, unless the Company has exercised its right to redeem the Notes in full, the Company shall make an offer to each holder of Notes to repurchase all or any part (in minimum denominations of \$2,000 and integral multiples of \$1,000 principal amount) of that holder’s Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased to, but not including, the date of purchase. Within 30 days following any Change of Control Repurchase Event, the Company will deliver, or, at the option of the Company, prior to any Change of Control, but after the public announcement of the Change of Control, the Company may deliver, a notice to each holder describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase Notes on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered. The notice shall, if delivered prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities

laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the Notes by virtue of such conflict.

On the Change of Control Repurchase Event payment date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to its offer;
- (2) deposit with the paying agent an amount equal to the aggregate purchase price in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an officer’s certificate stating the aggregate principal amount of Notes being purchased.

The paying agent will promptly deliver to each holder of Notes properly tendered the purchase price for the Notes, and, upon receipt of a Company Order, the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each holder a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

“Below Investment Grade Rating Event” means the Notes are downgraded below Investment Grade by both Rating Agencies (or, if only one Rating Agency is rating the Notes at such time, such Rating Agency) on any date from the date of the public notice of an arrangement that results in a Change of Control until the end of the 60-day period following public notice of the occurrence of a Change of Control (which period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by either of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Repurchase Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a

result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Change of Control” means the occurrence of any of the following:

(1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of

the Company’s properties or assets and those of the Company’s Subsidiaries, taken as a whole, to any “person” or “group” (as those terms are used in Section 13(d) and 14(d) of the Exchange Act), other than the Company or one or more of its Subsidiaries;

(2) the adoption of a plan relating to the liquidation or dissolution of the Company; or

(3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d) and 14(d) of the Exchange Act), becomes the beneficial owner, directly or indirectly, of 35% or more of the Voting Stock of the Company, measured by voting power rather than number of shares.

Notwithstanding the foregoing, a transaction effected to create a holding company for the Company will not be deemed to involve a Change of Control if (1) pursuant to such transaction the Company becomes a subsidiary of such holding company and (2) the holders of a majority of the Voting Stock of such holding company immediately following such transaction are the same as the holders of a majority of the Company’s Voting Stock immediately prior to such transaction.

“Change of Control Repurchase Event” means the occurrence of a Change of Control and a Below Investment Grade Rating Event.

“Fitch” means Fitch, Inc., doing business as Fitch Ratings, or any successor thereto.

“Investment Grade” means a rating of BBB— or better by S&P or Fitch (or the equivalent under any successor rating categories of S&P or Fitch) (or, in each case, if such Rating Agency ceases to rate the Notes for reasons outside of the control of the Company, the equivalent investment grade credit rating from any Rating Agency selected by the Company as a replacement Rating Agency).

“Rating Agency” means:

(1) each of S&P and Fitch; and

(2) if either of S&P or Fitch ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, any “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company (at the Company’s option) as a replacement agency for S&P or Fitch, or both, as the case may be (it being understood that the Company shall not be required to select such a replacement agency for so long as at least one Rating Agency is rating the Notes).

“S&P” means Standard & Poor’s Ratings Services, a division of McGraw-Hill, Inc., or any successor thereto.

“Voting Stock” as applied to stock of any person, means shares, interests, participations or other equivalents in the equity interest (however designated) in such person entitled to vote in the election of the directors (or the equivalent) of such person, other than shares, interests, participations or other equivalents having such power only by reason of the occurrence of a contingency.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note and certain restrictive covenants and Events of Default with respect to this Note, in each

case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture or the Notes of any series thereunder may be amended or supplemented as provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holder of this Note may pursue a remedy with respect to the Indenture or this Note only if (i) the Holder gives to the Trustee written notice of a continuing Event of Default; (ii) the Holders of at least 25% in principal amount of the outstanding Notes of that series make a written request to the Trustee to pursue the remedy; (iii) such Holder or Holders offer to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense; (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity or security; and (v) during such 60-day period the Holders of a majority in principal amount of the outstanding Notes of that series do not give the Trustee a direction inconsistent with the request. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any interest on this Note at the times, place and rate, and in the currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Registrar’s books, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar

duly executed by, the Holder hereof or the Holder's attorney duly authorized in writing, and thereupon one or more new of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made to a Holder for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

\$400,000,000 aggregate principal amount of 4.250% Senior Notes due 2024.**

Ladies and Gentlemen:

This opinion is furnished to you in connection with the issuance and sale of \$400,000,000 aggregate principal amount of 4.250% Senior Notes due 2024 (the "Notes") by Affiliated Managers Group, Inc., a Delaware corporation (the "Company"). The Notes have been offered and sold pursuant to the above-referenced registration statement (the "Registration Statement"), filed on August 6, 2013 with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Act").

The Notes are being issued under an Indenture dated February 11, 2014 (the "Base Indenture"), as supplemented by the Supplemental Indenture dated February 11, 2014 (the "Supplemental Indenture," and together with the Base Indenture, the "Indenture"), by and between the Company and U.S. Bank National Association, as trustee.

We have acted as counsel for the Company in connection with the offering of the Notes. For purposes of this opinion, we have examined and relied upon such documents, records, certificates and other instruments as we have deemed necessary.

Based upon the foregoing, we are of the opinion that, when the Notes have been duly executed and authenticated as provided in the Indenture and delivered against payment therefor, such Notes will be the valid and binding obligations of the Company.

Our opinions set forth above are subject to (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (ii) general principles of equity. Our opinions are also subject to the qualification that the enforceability of provisions in the Indenture providing for indemnification or contribution, broadly worded waivers, waivers of rights to damages or defenses, waivers of unknown or future claims, and waivers of statutory, regulatory or constitutional rights may be limited on public policy or statutory grounds.

We hereby consent to the incorporation by reference of this opinion as an exhibit to the Registration Statement and to the use of our name in the Prospectus Supplement relating to the Notes under the caption "Validity of Notes." In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Securities and Exchange Commission thereunder.
